

## **CANE HARVESTING CONTRACT COMMENCING 2019 SEASON**

Tully Sugar Limited invites Expressions of Interest from harvesting contractors interested in the safe and efficient harvesting and transport of cane from the Company's farms in the district for the 2019 season.

Predicted area for harvest of cane (including seed cane) is 464 ha.

The Company is keen to promote initiatives such as a wider spread of harvesting hours and also a performance based harvesting arrangement with adoption of Harvest Best Practice (HBP) to assist in improving cane quality and industry efficiency.

Expressions of interest in this harvesting contract should set out such items as –

- Hours of harvest each day and proposed roster;
- Fuel efficient harvesting and haul out equipment;
- Previous harvesting experience;
- Pricing options;
- Fuel supply options; and
- Other relevant information.

An outline of tender requirements can be obtained from the Company Secretary/Commercial Manager, Nathan Holmes, on ☎ 4068 4777.

Expressions of Interest will close at 4.00 pm on Friday, 22 February 2019 and should be lodged with -
