

RAW SUGAR & RELATED PRODUCTS CARTAGE

2019 CRUSHING SEASON & BEYOND

Tully Sugar Limited is seeking expressions of interest from those interested in providing sugar and related products cartage for the 2019, and two subsequent crushing seasons, from the Mill site to Mourilyan bulk sugar terminal.

The Mill operates for 20 – 22 weeks per year (plus downtime) on a continuous crushing roster 24/7, with breaks for planned and unplanned maintenance, and as a result of unfavourable weather conditions.

Typically, the crushing season extends from early–June to mid–November annually, although these dates can be significantly influenced by weather conditions and crop size.

Tender information packs can be obtained from the Mill office between 7.30 am and 4.15 pm. Queries should be directed to the Commercial Manager on 4068 4777, with written expressions of interest closing at 4.00 pm, Friday, 22 February 2019 addressed to:
